SUNDAY SERVICE
JUNE 12, 2016 - 10:30 AM

Rev. C. Spencer van Gulick

New Testament Lesson: 1 Peter
3:1-6

Sermon: "The Hidden Person
of the Heart"

It's a pleasure to welcome **Rev. van Gulick** as guest Pastor this week.

This week we say “good-bye” to **Kim Cario**, who for over 20 years has served as secretary/office manager of Hobe Sound Community Presbyterian Church. Through about 8 Pastors, (installed, interim and temporary), the transformation of the manse into the church office and meeting facility, and the coming and going of dozens of Church members and friends, she has been a constant and valued presence in all of our Church lives.

At Kim’s request there will *not* be an organized get-together to thank her and wish her well in her new endeavors.

Representing all of the Church family, Session has presented Kim with a monetary thank you gift. Should you wish to send her a personal note of thanks, you can send it to the church office and it will be forwarded to her.

Kim, you have been a special friend as well as a loyal and valuable work partner. You will be missed.

CHURCH FACILITIES ARE AVAILABLE FOR MANY OUTSIDE ACTIVITIES

We have a beautiful sanctuary and a large fellowship hall with complete kitchen, which we enjoy each Sunday during and following worship. These facilities are also available for outside activities, not limited to Church members and friends. Use by members requires only a refundable user fee, while use by non-members requires a non-refundable fee charged according to the activity and time involved.

In the past month we have welcomed two very diverse groups.

On May 27th, member **Stacy Albrecht** utilized the fellowship hall and courtyard for a high school graduation party for her daughter **Emily** and friends. It looks like they were having a wonderful time celebrating this special occasion.

Early this year a local couple chose our Church as their wedding venue. The rehearsal and wedding were held this past weekend.

Kim Cario has served as the “wedding hostess” for our Church and took this photo after the ceremony. The bride very graciously offered to share it with us.

PASTOR NOMINATING COMMITTEE PROGRESS REPORT

The Pastor Nominating Committee has completed the Ministry Information Form (Form (MIF)). The MIF describes our Church and describes the qualities we are seeking in our next installed pastor. Session has approved the MIF and it has been sent to

the Committee On Ministry(COM) at our Presbytery. After COM approves the MIF we will be ready to post the MIF online for candidates to view and apply to be our next installed pastor.

SUNDAY NURSERY

Our nursery attendant, Deb Dery, has taken a family leave and we will miss her. If we want to continue to have nursery care available on Sunday mornings we will need volunteers. Please let Pastor Ben know if you would like to serve in this capacity.

Pastor Ben's Corner

Nihonium (Nh), Moscovium (Mc), Tennessine (Ts) and Oganesson (Og) are the newest elements on the periodic table to receive names. They were formerly known by their respective atomic numbers 113, 115, 117 and 118.

As humans, we continue to discover incredible parts of God's

creation. We continue to explore more of His creation and through that discovery, ultimately learn more about the Earth and ourselves.

What have you been learning about yourself? What have you been learning about the creation of you that God has made? No matter your age there is always an opportunity to find some of the newest undiscovered elements within you.

Faithfully,
Pastor Ben

*"Please feel free to email, call or text Pastor Ben. His cell phone is
