**Message: "Not in Your Job
Description"**

Pastor Paul met officially for the first time this week with the Session for it's regularly scheduled monthly meeting. He discussed his vision for the future of HSCPC. He spoke of many ways that he sees the church reaching out to the surrounding community, to truly live up to the name "Hobe Sound **Community** Presbyterian Church." He has been studying Hobe Sound community (33455) demographic data, and presented this little quiz to the elders.

A. What percentage of 33455 residents say their religion is none?

1. 8%
2. 21%
3. 58%
4. 9%

B. What is the average age in 33455?

C. True or false: There are more single fathers with children in the home in 33455 than single mothers with children in the home.

***** The answers can be found at the end of this newsletter.

These answers, and much additional information, will help Pastor Paul and the Session gradually identify areas of need that will eventually lead to expanding the

ongoing mission of HSCPC.

At the end of the meeting, Pastor Paul was presented by Session with a copy of the Picture History of Hobe Sound compiled and written by Paula MacArthur Cooper. It has quite an extensive section related to the history our church.

IT'S HOT IN THE KITCHEN!

Everyone who enjoys the fellowship hour after Sunday worship services truly appreciates the Deacons who serve as hosts and hostesses. While everyone else is visiting and eating the delicious food the deacons prepare and serve, the Deacons are working away in the kitchen. And when everyone leaves, the Deacons are back in the kitchen cleaning up. And **it's hot in there.**

At their July meeting, the Deacons addressed this very problem. Diane Atkisson, Deacon, office manager, and “resident poet”, read an original poem inspired by the kitchen heat.

“Our Sunday Fellowship Coffee Hour is certainly a lot of fun, And deacons and others work hard to get it all done.

Apparently our kitchen does not have air conditioning access, And so about this very HOT issue I want to press.

We want to have a collection to get rid of some of the kitchen heat, So we don't leave here so hot, tired, and really beat.

A window air conditioning unit would really suffice, And we would shop around to get a really good price.

The question is – will the congregation kindly agree? and let us have a collection for this air conditioning fee.

Any donations to a “kitchen air conditioner fund” will be very much appreciated.

THIS WEEK IS “SUNDAE SUNDAY”

On this coming Sunday the heat in the kitchen won't keep **Roy and Joyce-Anne Hamlin** from hosting a special **SUNDAE SUNDAY** fellowship hour. They began this event last year, and it was one of the most popular fellowship hour offerings of the summer.

Join them in the fellowship hall after the worship service for an ice cream sundae treat, with lots of topping choices to make your sundae (and Sunday) special.

THE SEARCH CONTINUES FOR A NEW MUSIC DIRECTOR

The permanent position of Music Director is a part time position averaging approximately 15 hours per week spent in preparation for and performance in worship services. Capability at the organ is required. The position includes directing choir, supervising the maintenance of church musical instruments, maintaining the music library, securing guest musicians as approved by the Worship/Music committee and Pastor, securing the service of a substitute organist/pianist as necessary, and being available to provide music for weddings, funerals, etc.

Currently there are a couple of candidates for this position. One has been interviewed by the search committee, and another will be meeting with them soon. Until further notice, the search committee will continue to welcome and respond to all inquiries about the position.

In the meantime we have been blessed with music from **Marianne Mills** and **Robb Huff**, very talented friends of our church. This week and next we welcome **Gay Dedo**, organist at the chapel on Jupiter Island during the “season”.
